

WILLAMETTE VALLEY HOPS, LLC

HOP VARIETY DATA SHEET

Hallertau Tettnang

GERMANY AROMA HOP

The Tettnanger variety is a traditional and indigenous hop from the Saaz group which is mainly cultivated around Tettnanger on Lake Constance Germany. The unique combination of the favorable climate at Lake Constance and sandy clay soils from the Ice-age produces a very fine aroma. This variety has a good tolerance to plant diseases. Tettnanger is widely used in lager beer styles.

Pedigree	Traditional German landrace variety
