

WILLAMETTE VALLEY HOPS, LLC

HOP VARIETY DATA SHEET

Monroe™

GERMAN AROMA HOP

The new hop variety Monroe established itself similarly extravagant as who it was named after. With an alpha content of only 2.5 % and an oil content of 0.95 ml/100 g, Monroe showcases itself at the beginning as mild and smooth. When you add the hop to a beer, then she shows her true colors: exactly like everyone remembers Marilyn Monroe in a red dress. A guise full of red aromas. In the nose, there are wonderful raspberry notes supplemented with orange syrup and added to this in the taste is the sweet taste that reminds one of summer and cherries.

Pedigree	From wild U.S. variety
Aroma/Flavor	Red berries, Citrus
Alpha Acids*	2.5%
Beta Acids	No data
Cohumulone	No data
